1. Purpose and Scope

1.1 Purpose

Policies only work when people can follow them easily. This document gives every employee ten practical forms, registers and templates. Each one turns a policy or SOP rule into a simple page that can be filled in, signed, checked and filed. They keep records fair, complete and easy to find.

1.2 Scope

It covers the ten forms listed in Section 2, used daily by cafe staff, the Supervisor, managers and executives. Each form is a separate annex (Annex 1 to Annex 10). A form may be printed from this file or copied into a digital form, but the questions and approval steps must stay the same.

1.3 Business assumptions

- Mehfil-e-Zan is a women-only cafe and community space in Gulshan-e-Iqbal, Karachi, open daily from 10:00 AM to 10:00 PM, with 40 seats.
- Approval limits, positions and reporting lines follow the Organizational Chart and Job Descriptions (MEZ-ORG-001). Amounts are in Pakistani rupees (PKR).
- Form numbers and time limits are assumed and should be matched to the Master Policy and Document Control Register (MEZ-REG-001).
